1. Applications must be submitted no later than 4 weeks prior to planned activity in order to secure or approve appropriate personnel responsible for range operations.
2. Firearms used at the Camp Barstow Ranges must be inspected and approved by the Shooting Sports Coordinator prior to their use at Camp Barstow. It is recommended that the Indian Waters Council owned firearms be used in all shooting activities. They have been inspected and are maintained for this purpose. They are also appropriately sized and suited for scouts of varying age and size.
3. In the event that personal firearms are used, they shall be no larger than .22 caliber for rifles and 12 gauge for shotguns. Ammunition shall not exceed 22 long rifle cartridges and #7 shot shotgun shells and must be approved prior to their use at Camp Barstow.
4. Only camp supplied ammunition shall be used in the camp owned firearms.
5. All Camp owned firearms shall be cleaned and inspected prior to departure from camp.
6. Units are responsible for cleanup of all ranges after use. Spent shells shall be picked up and properly disposed of. Shooting areas shall be swept and cleared of broken clay targets.
7. This agreement is for shooting ranges and equipment only. Climbing Tower and Water Front use must be approved on a separate application.
